Experience

Developed a dummy Cricbuzz application using spring boot micro services in the back end and angular as front end which is interacting with Mongo DB.

01	**Type of Industry:**	**Software Development**
	Project: Description:	A dynamic website similar to Cricbuzz which providing live cricket updates, along with match calendar, news and videos regarding cricket, and player details. Micro services and Agile methodology are used during the development period. The front-end is developed using Angular and Bootstrap while in the backend whole Spring concepts were used as Spring Boot Application, an external API called CricAPI is used which provides the desired data.
	Role/Title:	Java Developer
	Project Duration:	3 Weeks
	Responsibilities:	• Back End

- o Created Model classes, Dao Layer, Repository, Controller Classes, Services using spring boot and Mongo DB.

- o   Integrated spring boot and Mongo DB database
- o   Implemented swagger and spring security.
- Front End in Angular JS
  - o   Validation in Angular JS
  - o   CricAPI data directly showing on Angular page.

Operating Systems:	Windows 10.
Software / Languages:	Java (As in Spring Modules), Angular JS, Mongo DB.
Special Tools:	Spring Tool Suite, Postman, RoboMongo, VSCode.

02	**Type of Industry**	**Software Development**
	Project Description:	Shopping website using jsp servlet and html, css as front end was implemented which was interacting with SQL database.
	Role/Title:	Java Developer
	Project Duration:	1 week.

	Responsibilities:	• Back End
		  o Creating model classes, Dao layer
		  o Servlets to provide the output for front end
		• Front End
		  o HTML CSS validation

	Operating Systems:	Windows 10
	Software / Languages:	Java, HTML, CSS, JSP & Servlet.
	Special Tools:	Postman, Eclipse, Oracle.

Training, Certifications & Affiliations

- Full stack JEE with Cloud training from Capgemini India Pvt. Ltd.
- Java Course from Aptech Computers, Pune.

Higher Education

- KJEI'S Trinity Academt Of Engineering, Pune (BE in Computer Engineering).

- Dr. D. Y. Patil Polytechnic, Kolhapur (Diploma in Computer Engineering).

- Dr. T. R. Naravane Vidhyalaya, Mumbai (SSC)
